Purdue MRI Facility
Price Schedule Policy

GE 3T Signa HDx Scanner

The Purdue MRI Facility charges $600 per hour for use of the GE 3T Signa HDx scanner, with one hour scheduled for set-up and tear-down for each purchased hour.

If the MRI Facility also provides an individual to operate the system, the fee is $800 per hour, with one hour scheduled for set-up and tear-down for each purchased hour.

These rates have been approved by Purdue’s Business Office.

7.0 Tesla Bruker Biospec 70/30 USR Scanner

Rate effective date - 2/1/2014

Internal Rate - Basic - $100.00 per hour
External Rate - Basic - $154.00 per hour ($100*54.0%*)
Internal Rate - Assisted* - $143.00 per hour
External Rate - Assisted* - $221.00 per hour ($143*54.0%*)

* - F&A rate subject to change upon changes to the approved negotiated Purdue West Lafayette Campus F&A rate.
** - Assisted by a primary operator (likely either Dr. Greg Tamer or Professor Corey Neu). If one becomes trained as a primary operator and conducts own scans, then the basic rate is charged.

These rates have been approved by Purdue’s Business Office.
